Designed promotional and informational materials using Canva.

PROJECTS

Plug and Defend: AI-Driven Portable Cybersecurity Toolkit (Capstone Project)2025 - Present

Developed a portable cybersecurity toolkit with AI-powered threat detection.

Implemented automated scanning and real-time monitoring features.

Enabled plug-and-play security assessments in low-connectivity environments.

Flag City Properties, Inc. Website (Internship Project)2026

Contributed to the development and improvement of a real estate company website, enabling clients to easily browse and view available properties.

Deltech Integrated Reservation & Client Management System2025

Developed a web-based reservation and client management system.

Implemented reservation, feedback, and admin approval features.

Utilized HTML, CSS, JavaScript, and MySQL for system development.

Nexer: A Netflix Inspired Streaming Platform2024

Implemented user authentication and media management features.

Optimized database queries and backend performance.

Ensured secure and scalable system functionality.

CERTIFICATIONS, TRAININGS & WORKSHOPS

Cloud Computing

- **Alibaba Cloud Certified Associate - Business User 2025**
Certificate ID: IACA09250400203630L
- **Alibaba Cloud Workshop - Cloud Computing Basics**
Serial Number: ACFW340250200190898
- **Alibaba Cloud Workshop - Cloud Deployment Models**
Serial Number: ACFW341250200190900
- **Alibaba Cloud Workshop - Compute on the Cloud 2025**
Serial Number: ACFW348250200191044
- **Alibaba Cloud Workshop - Data Management on the Cloud 2025**
Serial Number: ACFW342250200190902
- **Alibaba Cloud Workshop - Introduction to APIs**
Serial Number: ACFW347250200191041
- **Alibaba Cloud Workshop - Networking on the Cloud 2025**
Serial Number: ACFW350250200191037

(Other Alibaba certifications available upon request.)

Additional Related Trainings, Workshops, and Certifications:

- **Cisco Networking Academy: Endpoint Security Course 2026**
- **Cisco Networking Academy: Ethical Hacker Course 2026**
- **Microsoft Cybersecurity Course: Security, Compliance, and Identity Fundamentals by TESDA 2026**
- **Grandstream Certified Specialist: UC Solution 2025**
- **QUALYS Certified Specialist: (Issued: Nov. 2025)**
 - Endpoint Detection and Response
 - CyberSecurity Asset
 - Payment Card Industry (PCI) Compliance

(Other certifications available upon request.)

Attended various on-campus and off-campus seminars, trainings, and workshops:

- **AWS User Group BuildHers+ Philippines: Breaking In & Building Forward 2026**
- **AWS User Group BuildHers+ Philippines: HERmazing Race: Run the World 2026**
- **AWS User Group BuildHers+ Summit 2025**
- **K8SUG Philippines: AWS Collab Workshop 2025**
- **Philippine Institute of Cyber Security Professionals (PICSPPro): The Human Firewall: The First Line of Cyber Defense in a Highly Digital Environment, University of Makati - 2025**
- **Philippine Development S&T Foundation: SHE++ Workshop on Leadership and Technopreneurial Mindset, University of Makati - 2025**
- **Philippine Development S&T Foundation: SHE++ Masterclass on Alibaba Cloud System University of Makati - 2025**

(Other seminars and workshops certifications available upon request.)

AWARDS & ACHIEVEMENTS

BEST CAPSTONE PROJECT

- Recognized for excellence in design, development, and implementation of the final-year IT capstone project.

BEST IN NETWORK SECURITY

- Awarded for outstanding performance and proficiency in network security concepts and practices.

SKILLS

Networking: Network Configuration, Subnetting, Routing and Switching Fundamentals, TCP/IP Protocols, DNS/DHCP Administration, VPN Basics, Network Troubleshooting, Connectivity Diagnostics, Cisco Networking Fundamentals

Cybersecurity: Cybersecurity Principles, Secure Coding Practices, Endpoint Security, Vulnerability Assessment, Information Security Fundamentals

Programming & Development: Python, Java, C++, HTML, CSS, PHP, SQL/MySQL, Web Development, Application Development, System Integration, Basic Software Maintenance

Database Management: Database Queries, MySQL Administration, Database Management Systems (DBMS), Web-Based Database Systems

Data Analytics & Visualization: Microsoft Excel, Google Sheets, and Basic Statistical Analysis

Web Design & UI/UX: Wireframing, Layout Design, Web Accessibility Basics, UX/UI Design Fundamentals, Responsive Design Principles

Development & Technical Tools: Visual Studio Code (VS Code), XAMPP, Laragon, phpMyAdmin, Browser Developer Tools, VMware, Cisco Networking Tools, Canva, Figma, Antigravity

Technical Support & Troubleshooting: Printer Troubleshooting, User Account Assistance, Basic IT Support Operations, Software Troubleshooting, Hardware Troubleshooting, Technical Issue Resolution

Professional & Interpersonal Skills: Communication, Teamwork, Problem-Solving, Critical Thinking, Time Management, Adaptability, Organizational Skills, Multitasking, Professionalism, Willingness to Learn
